

Welcome

Hi, I'm Ethan.

I'm here to help guide you through Cub Scouting.

Welcome to the website for Pack 468.

We are all excited about the Cub Scouting program, and look forward to an opportunity to bring this program and its benefits to your son and your family.

Activities

One of the best things about Cub Scouts is that it exposes the Scout to lots of activities and interests, many of which they might not otherwise get a chance to do.

How Cub Scouts works

There are a lot of terms we use in Cub Scouts ... Dens, Pack, Akela, Tiger, Wolf, Bear, Webelos, Arrow of Light, Blue & Gold, Chartered Organization, District, Council, and many more. Please read on for an explanation of these terms and how they relate to giving your Scout and family a fantastic experience.

Why Cub Scouts?

Why would a boy or girl like to join cub scouts? Why would parents want them to?

Cub Scouts Are Fun! Cub Scout activities are designed to do things they like to do, learn new things, discover and practice new skills, gain self-confidence, and develop strong friendships.
